

GREAT RAILWAY FROM HALIFAX TO PORT SARMA.—It is already known to our readers, that the British Government has officially proffered to the Provinces of Canada, Nova Scotia and New Brunswick, a guarantee of 3 1-2 per cent bonds of the Provinces, to a sufficient amount to construct a Rail way from Halifax to the foot of Lake Huron. On Friday last, the Canadian Parliament, passed the bill for building the road through that Province, by a vote of 38 to 23, McNab of the Great Western Road violently opposing it. It is estimated the Canadian portion of the road, will cost sixteen millions dollars. The bill makes Port Sarnia, the western terminus. Once there, the Detroit and Port Huron road will soon be made.

CONSPIRACY TRIAL.—Yesterday morning the Circuit Court was compelled, in consequence of the limited accommodations offered by the County Court room, to adjourn its sitting to this morning, at the new Firemen's Hall, which is hoped will amply accommodate the Court and the spectators. The summing up on the part of the prosecution is to be opened by Mr. Van Arman, who will probably occupy the greater part of to-day. We have no doubt that the occasion will call forth some splendid specimens of forensic eloquence on the part of the counsel on both sides. [Det. F. Press, Sept. 4th.]

A NEW MAN.—A rather large story.—Horace Greeley, of the New York Tribune, has recently returned from his European tour, after an absence of four months. The New York Mirror says:

"He comes back completely metamorphosed—with whiskers and moustache—patent leather boots—a gold watch with a bunch of 'charms' attached—a little jimmy French hat, turned up at the sides—fancy pantaloons with broad stripes and straps—white cravat, buff vest—a long-waisted short-skirted black frock coat—and a little stick—, with the head of Cerito cut in ivory on the top! His friends don't know him."

INUNCTION.—We learn from a reliable source, that Judge Chamberlain, of the 9th Judicial Circuit, holding court at Crown Point, Ia., granted an injunction, on application of the Southern Railroad Co., upon the Michigan Central Railroad Co., forbidding their laying down any more track, or proceeding any further in that State with this road.

The ground upon which the injunction was, that the Central Road had no right to cross the State without special privileges, and the track of the Southern Road, without permission. The bonds required were \$150,000.

[Chicago Journal.]

CONCORD, August 27, 1851.

There is a report current here, brought by a gentleman from Hillsboro, and doubtless reliable, that the Hon. Luke Woodbury, the democratic nominee for Governor, committed suicide by hanging, at his residence, in Antrim, this morning. He has been in ill health for some weeks, and laboring under a depression of spirits.

Judge Levi Woodbury, is quite ill at his homestead in Portsmouth. [N. Y. Herald.]

THE FRENCH AND CUBA.—The N. O. Delta, has authentic intelligence that the services of the French vessels of war stationed near Cuba, have been offered by their commanders to the Cuban authorities to aid in the suppression of the insurrection, etc. It is further stated that they have been actually engaged in transporting Spanish troops from Havana to various parts of Cuba. [Providence Post.]

NO LICENSE IN ILLINOIS.—The following is the substance of the "No License Bill," which has passed the Legislature of Illinois:

1. It repeals all present license laws.
2. Prohibits the sale of intoxicating drinks in less quantity than one quart, under a penalty of \$25.00.
3. If sold to minors, increases the fine from \$30 to \$100.
4. Provides for a penalty of not less than \$25 nor over \$100, for selling more than a quart, and permitting the same to be drunk on the premises of the seller.
5. Giving away liquor to come within the provisions of the law.

ILLINOIS WHEAT CROP.—The Chicago Advertiser says: "The wheat crop in all of the northern counties in this State will generally prove a failure. The rust has destroyed the winter, and the fly, scap, or rot, the spring. Thousands of acres which but a very short time since looked promising, and the farmers anticipated a good yield, will not be worth harvesting. The farmers are generally much embarrassed, and this serious drawback—the failure of the crop will affect them materially."

An agent of the Great Western Road in Canada, is now in England, for the purpose of having \$1,000,000 of the stock taken there, in addition to the stock taken on this side of the Atlantic. The last steamer brought the proceedings of a meeting at Manchester, where resolutions were passed in favor of the road, as an investment. [Det. Tribune.]

SYMPATHY FROM A STRANGE QUARTER.—An address to Mons. Charles Hugo, son of Victor Hugo, an editor of the *Evenement*, is now in course of signature among the conductors of the newspaper press of Great Britain, sympathizing with him in his imprisonment for writing against the guillotine, and condemnatory of the infamous judgment which consigned him to bonds. [Daily Wisconsin.]
